

Certificate

Certificate number: 2014-014

Certified by EY CertifyPoint since: November 4, 2014

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015, the Quality Management System as defined and implemented by

Amazon Web Services, Inc.*

and its affiliates (collectively referred to as Amazon Web Services (AWS)) are compliant with the requirements as stated in the standard:

ISO 9001:2015

Issue date of certificate: November 5, 2019

Re-issue date of certificate: March 19, 2021

Expiration date of certificate: November 7, 2022

Last certification expiration date: November 07, 2019

EY CertifyPoint will, according to the certification agreement dated October 25, 2019, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

**This certification is applicable to (a) the services and their associated assets and locations as described in the scoping section of this certificate, and (b) any affiliates that are responsible for, or that contribute to, the provision of such services and their associated assets and locations.*
