

# ESARIS

# ATTAINMENT CERTIFICATE

## SECURITY MANAGEMENT T-SYSTEMS

We hereby confirm that the **Digital Division / Connected M.** organization successfully passed the certification for attainment on the following service: **Open Telekom Cloud**.

This is to certify that the related service delivery elements have been assessed by the organizational unit in order to check their conformity level with the requirements set forth by the ESARIS standards. The compliance towards ESARIS is at **95** %.

We are looking forward to further support your organization in the adoption and use of ESARIS!
